

Algebra 2

Reflection Journal

Name: _____

Period: _____

Respond to the writing prompt on the board. Be as detailed as possible. You may be asked to share your thinking during class. *Please write in complete sentences.*

If the prompt doesn't inspire you to write, consider responding to one of these questions:

- What were the main mathematical concepts or ideas that you learned today?
- What questions do you still have about today's learning?
- Write a question that is similar to those we did in class today.

Respond to the writing prompt on the board. Be as detailed as possible. You may be asked to share your thinking during class. *Please write in complete sentences.*

Don't feel inspired by the prompt, try writing about this:

- Describe, in detail, an approach someone else used in class today. How was their approach similar or different from your approach?
- What were some new vocabulary words you learned today? What do you believe each new word means? Can you provide an example or a non-example for each new word?

Respond to the writing prompt on the board. Be as detailed as possible. You may be asked to share your thinking during class. *Please write in complete sentences.*

Respond to the writing prompt on the board. Be as detailed as possible. You may be asked to share your thinking during class. *Please write in complete sentences.*

Don't feel inspired by the prompt, try writing about this:

- What is something that you're struggling with or have questions about?
- How can we use the stuff from class in life? What processing work workplace skills did you display while working?

Respond to the writing prompt on the board. Be as detailed as possible. You may be asked to share your thinking during class. *Please write in complete sentences.*
